SHERIFF'S WORK ALTERNATIVE PROGRAM BUILDING

PROGRAM HISTORY & INFORMATION

The DuPage County Sheriff's Work Alternative Program [SWAP] was established in 1995 as a viable alternative to incarceration at the DuPage County Jail. Offenders sentenced to SWAP have worked in every municipality in the county performing various community projects at no cost to taxpayers.

Individuals sentenced to SWAP are typically non-violent, first-time offenders. Those found guilty of a violent or sexual offense are not eligible for SWAP. Offenders are generally sentenced to between five and fifteen days in the program that may be completed over a six to twelve month time frame.

The program averages 40 offenders a day who are split into three or four work crews that are transported to work sites by marked Sheriff's Office vans and supervised by specially trained uniformed deputies.

Ninety-five percent of the offenders sentenced to SWAP complete the program, a rate much higher than other community service programs. For this reason the Illinois Criminal Justice Authority has previously called SWAP "the most innovative [alternative incarceration] program to ever come along in Illinois."

New SWAP Building Information

- Existing 3,700 SF building housing the SWAP program is a former service station over 65 years old, and its current conditions are inadequate.
- A new facility for the SWAP program would provide a safer, better equipped space for staff and program participants.
- Current estimate for a new building for SWAP: **\$1,500,000-\$2,000,000**
