

# FABYAN PARKWAY RECONSTRUCTION— COUNTY LINE TO IL ROUTE 38

## PROJECT DETAILS

### LOCATION

City of West Chicago

### ISSUE

Roadway is over-capacity resulting in congestion and operational challenges

### SOLUTION

Widen Fabyan Parkway, implement drainage improvements, and add roadway lighting

### BENEFIT

Improve the overall mobility and enhance safety for motorists

### COST ESTIMATE

\$15,000,000 (Eligible for State Funding)

### DISTRICTS REPRESENTED

US Senate - Illinois

US Representative District 3

IL Senate District 25

IL Representative District 49

County Board District 6

## PROJECT HISTORY & INFORMATION

This project widens Fabyan Parkway to the ultimate 5-lane width to reduce congestion and improve mobility in the very busy freight and passenger corridor near the County’s western border. Fabyan Parkway is a Strategic Regional Arterial and is a critical part of the growing technology and freight industry in the City of West Chicago.

Fabyan Parkway carries more than 16,600 vehicles per day between the Kane-DuPage County line and IL Route 38.

The proposed improvements will not only increase the roadway capacity, but it will better accommodate the mix of trucks and passenger cars, improve drainage, and add street lighting along the busy roadway segment.

The project also includes enhanced access to Technology Boulevard through construction of additional turn lanes and sidewalk and path improvements built to ADA/PROWAG standards.

Construction is anticipated to begin in late 2024, pending permitting, final engineering, and land acquisition.
